

## **THE LICENSING COMMITTEE OF THE BRITISH HORSERACING AUTHORITY**

On 5 December 2018 an application was submitted on behalf of Mrs Suzannah Best that the conditions attached to her training licence be removed. The Licensing Committee considered the application and made the following amendment:-

Original condition (ii) be revised and reduced such that Mr Best is allowed general admission to the racecourse when Mrs Best has a runner at that course, although Mr Best will not be permitted access to secure or official areas (including the Pre-Parade or Parade Ring, owners and trainers areas).
